

Questions and Answers

FEMA DR 4569 Crisis Counseling Program (CCP)

Length of Contract / Number of Participants

Q) What is the contract length for this opportunity (if any)?

A) The program is a nine (9) month-time limited program which will end December 9, 2021.

Q) Is there a minimum number of participants for whom contractors will need to provide CCP support during the length of the contract?

A) The RFP identifies the staffing structure, referenced as Pods, which is determined by impact data from the disaster. A Pod consists of 1 FTE CCP Coordinator (Lead) and 4 FTE CCP Counselors. FEMA & SAMHSA do not identify a minimum number of participants. The Pod structure allows for Outreach to the individuals impacted by fires and organizations providing services to the County/Counties identified in the RFP.
