

Peer Support Specialist Certification Program: Training for Unhoused Peer Specialization

Questions & Answers

General	
Q	Given the quick turnaround time for submission, is there a possibility that the deadline for submission may be extended beyond 5/12/23?
A	CalMHSA will take your request into consideration. Should the deadline be extended, information will be posted in accordance with RFP process.
Q	How frequently do you anticipate this RFP will be available for programs to apply to become approved training providers? (e.g. annually, bi-annually, etc.)
A	At this time, CalMHSA is unable to confirm whether any additional RFPs will be released. CalMHSA will make additional opportunities to add new training providers in areas of specialization through an application process, at a later time. CalMHSA does not have any additional information on the projected timeframe to open the application process
